Statement Requests: Do you want a detailed statement? Then give your consultant a call or e-mail your request to statements@collectadebt.co.za.

Want to make payment arrangements? If you cannot afford to settle the account in full, you need to visit our offices personally. You will be requested to provide details of your income and expenses.

Why are you paying more? In terms of the Debt Collectors Act, you are liable to pay necessary expenses and fees that include consultations, faxes, sms's and telephone calls (sent and received) and in addition *in mora* interest.

TIP: In order to avoid unnecessary expenses and fees – the faster you settle, the less you pay.
